V. Discussion Items:

a. Educator Effectiveness Initiatives

- There is a need to take the time to have the discussions at the NCTE level to address educator effectiveness even though there are other pressing concerns.

b. Educator Preparation Work Groups Progress

- Comprehensive Educator Effectiveness System – is it needed?
- Documentation is needed but the system isn’t broken

- This work demonstrates our concern for accountability and validates our good teachers across the state.

VI. Meeting adjourned at: 1:15 by Alan Bone

Minutes submitted by: Susan Alford
